Frequently Asked Questions

***Are the workshops really FREE?**

Yes!

What are Opalka's qualifications?

*Richard Opalka earned a Bachelor's degree in geology from the State University College of New York at Buffalo and a Master's degree in geology from Miami University Oxford, Ohio. He worked in the oil and gas business from 1976 through 2014 as a petroleum geologist for a number of companies, as a consultant, and an independent. For 16 years he has been teaching earth science, physical science, and environmental science, in the Edmond Public School District and has been actively involved with the More! Rocks in Your Head! program since 2011.
